

MOSAIC THEATRE INTERN-WE-TRUST APPLICATION

A Mosaic Theatre internship offers the rare opportunity for participants to learn about the workings of a professional theater from a “hands-on” approach. Internships provide young artists with the first step into the theatrical community, working directly under the supervision of professional artistic, production and administrative staffs.

Mosaic Theatre will make every effort to afford the intern the greatest possible flexibility in scheduling hours. If interns wish to receive academic credit/community service for an internship, arrangements can be made with his or her school. Each intern will be required to provide a written evaluation of his or her internship upon completion.

Interns receive no pay. However, some interns may be hired for employment on a care-by-care basis. There is no housing provided. Please note that Design/Production applicants are only eligible for fall/spring internships.

Applications

Internships will be awarded on the basis of the following:

- a) Completed intern application form
- b) Resume of theater and related experience
- c) Two letters of recommendation
- d) Interview
- e) Interview and portfolio (Design applicants only)

Internship(s) applying for (in order of preference):

1. _____
2. _____
3. _____

NAME: _____
